

Purpose

To promote every secondary art program in Oklahoma through gallery style exhibition to celebrate our diverse and talented young artists.

YTIO Committee

The Young Talent in Oklahoma HS Exhibit, sponsored by the Oklahoma Art Education Association, continues to promote secondary art programs by providing a place to spotlight the great artistic talent of students all over the state.

Thanks for all the support from parents, teachers, administrators, universities, and the community. Hundreds of works of art were viewed this year by three jurors in order to select the senior portfolios and works in the exhibit. It was quite a challenge with so many quality works submitted from all over the state!

Thank you for your support!

2018 YTIO Committee

Gayla Mitchell, Jime Wimmer and Ranell Zurmehly
